## John Hammond

John Hammond is the Co-Founder of Amazing Results and is our specialist Business Coach.

John has run many successful small to medium sized businesses, in a range of industries, including working as the Managing Director of a National Car & Truck Leasing Business/Franchise for many years. John specialises in coaching people who want to start a business and genuinely loves working with younger people who are trying to get started in their business careers.

John is a very experienced business coach who has helped a number of business managers identify problems and help turn around businesses. John works closely with executives and business owner operators, as well as with clients who are working within a franchise business model, to understand their goals and objectives and put practical results orientated programs into place.

Areas where John typically provides business coaching services include:

- *Strategic business planning*
- *Business plan writing*
- *Creative and lateral thinking*
- *Leading change, developing staff and performance management*
- *Interpersonal and communication skills*
- *Increasing productivity, increasing market share and customer relationship management strategies*

John can help you to develop marketing strategies, business planning, client management, product/service design and business networking. John's coaching style is innovative, creative and very results focused!
